March-Sept. 2007: An invited speaker of a radio section “Talk on Children’s Education”, a part of *Home, Sweet Home*, a daily radio program produced by a Korean radio station *Radio Seoul* in Los Angeles (AM 1650 Hz), which airs across America including Hawaii. The program airs for two hours every day except for Sunday (at 10am-noon in Pacific Time). I talked about the importance of Korean language and education, some current research on language acquisition, and pronunciation differences between English and Korean. The section was 20 minutes long, 10am-10:20am, live (pre-recorded two times due to my travel) and aired on every other Thursday for 6 months from Mach 22 to September 27, 2007.
