

**UCLA Linguistics MA requirements checklist**  
*updated November 2021*

EACH OF:

- 200A (Phonology 1)
- 200B (Syntax 1)
- 200C (Semantics 1)

TWO OF:

- 201A (Phonology 2)
- 201B (Syntax 2)
- 201C (Semantics 2)

ONE OF:

- 204C (Speech Perception)
- 209A (Computational Linguistics 1)
- 213A (Acquisition)
- 213B (Neurolinguistics)
- 213C (Language Processing)
- 217 (Experimental Phonology)
- 236 (Computational Phonology)

THREE OF (if not used above):

- 201A (Phonology 2)
- 201B (Syntax 2)
- 201C (Semantics 2)
- 202 (Language Change)
- 203 (Phonetic Theory)
- 104/204A (Experimental Phonetics/Phonology)
- 204B (Speech Production)
- 204C (Speech Perception)
- 205 (Morphology)
- 207 (Pragmatics)
- 208 (Mathematical Linguistics 1)
- 209A (Computational Linguistics 1)
- 209B (Computational Linguistics 2)
- 209 C (Computational Semantics)
- 111/211 (Intonation)
- 212 (Learnability)
- 213A (Acquisition)
- 213B (Neurolinguistics)
- 213C (Language Processing)
- 214 (Syntactic Theory)
- 215 (Syntactic Typology)
- 216 (Syntax 3)
- 217 (Experimental Phonology)
- 218 (Mathematical Linguistics 2)
- 219 (Phonology 3)
- 222 (Semantics 3)
- 225 (Linguistic Structures)
- 239 (Research Methods)
- C140/244 (Bilingualism)

### **Other requirements for non-DSP students**

- TOP (Test of Oral Proficiency) exam, if a non-native English speaker
- TA training course 495 in Spring of first year
- Selection of advisor for second year
- 444 in Fall, Winter, and Spring quarters of second year
- Practical phonetics exam, or completion of 103 with a B or higher\*

*\*technically not an MA requirement, but it is a prerequisite to enrolling in Field Methods (210A), which we recommend you take in Winter of your third year*
