

## KIE ROSS ZURAW

UCLA Department of Linguistics  
3125 Campbell Hall, Box 951543  
Los Angeles, California 90095-1543

phone: 310-825-0634; fax: 310-206-5743  
kie@ucla.edu  
www.linguistics.ucla.edu/people/zuraw

---

### RESEARCH INTERESTS

- Lexicalization, phonological behavior of morphologically complex words
- Relationship of grammar and processing
- Exceptionality and variability in phonology: learnability, representation, production, and comprehension
- Quantitative approaches to phonology
- Loanword phonology and morphology
- Language change
- Tagalog, Palauan, Malagasy, Javanese, Samoan, Tongan and other Austronesian languages

### POSITIONS HELD

Professor, Linguistics, University of California, Los Angeles	2017-present
Associate Professor, Linguistics, University of California, Los Angeles	2009-2017
Assistant Professor, Linguistics, University of California, Los Angeles	2002-2009
Visiting Assistant Professor, Linguistics, Massachusetts Institute of Technology	2001-2002
Assistant Professor, Linguistics, University of Southern California	2000-2002

### EDUCATION

#### University of California, Los Angeles

Ph.D., Linguistics. Dissertation: "Exceptions and regularities in phonology" 2000

Bruce Hayes and Donca Steriade, co-chairs

M.A., Linguistics. Thesis: "Reduplication and infixation in Tagalog loanword phonology" 1996

Bruce Hayes and Donca Steriade, co-chairs

#### McGill University

B.A. with First Class Honours, Linguistics. Thesis: "Tangkic apocope and augmentation in an Optimality-Theoretic framework" 1994

Glyne Piggott, adviser

### PUBLICATIONS

Edited volume: *Japanese/Korean Linguistics*, Volume 26. Ed. by Shoichi Iwasaki, Susan Strauss, Shin Fukuda, Sun-Ah Jun, Sung-Ock Sohn, and Kie Zuraw. CSLI Publications.

- (2006). Item-by-item and within-item variation in a corpus study of Tagalog. Conference on Laboratory Phonology, Paris.

#### **SOFTWARE**

- FeaturePad**, a tool for learning feature theory 1998

**TEACHING****UCLA**

2002-present

*Graduate*

Phonological Theory I  
 Phonological Theory II  
 Phonological Theory III  
 Field Methods I & II (co-taught with Hilda Koopman):  
     Malagasy, Javanese, Samoan, Tongan  
 Topics in Phonetics and Phonology:  
     Loanword phonology  
     The prosodic word  
     Lexical access and the phonology of morphologically complex words  
     Variation in phonology (co-taught with Bruce Hayes)  
     Intonation field methods, Tagalog (co-taught with Sun-Ah Jun)  
     Speech planning and phonological grammar  
     Sign language phonology for phonology teachers  
 Topics in Linguistics  
     Statistics practicum (co-taught with Megha Sundara and Kristine Yu)

*Undergraduate*

Introduction to General Phonetics  
     Associated honors seminars: Sociophonetics; Forensic phonetics  
 Phonology I  
 Phonology II  
     Associated honors seminar: Learning algorithms in Optimality Theory

- Escola de Inverno em Linguística Formal**, University of Campinas, São Paulo, Brazil 2013  
 Modeling phonological variation
- Seoul National University** mini-course 2012  
 Quantitative models of phonological variation
- Chonnam National University International Summer School**, Gwangju, Jeollanam-do, Korea 2011  
 English Phonetics
- Linguistic Society of America Institute**, held at Stanford University (summer school) 2007  
 The phonological status of morphologically complex words
- École d'automne de linguistique**, Cognitive Studies Department, École Normale Supérieure 2007  
 Introduction to Phonology
- Cognitive Studies Department, École Normale Supérieure** 2007  
 Series of three lectures. Morphophonology in paradigms: data, grammars, and models

**MIT**

2001-2002

*Undergraduate* Language and Its Structure I: Phonology*Graduate* Advanced Phonology (co-taught with Michael Kenstowicz)  
Topics in Phonology: Computation in Optimality Theory**USC**

2001-2002

*Undergraduate* Language and Mind (co-taught with Maryellen MacDonald)*Graduate* Phonology  
Special Topics: Computation in Optimality Theory**UCLA (as graduate student)**

1994-2000

*Undergraduate* Introduction to Linguistics**ADVISING (at UCLA unless otherwise indicated)****(Co-)chair of dissertation committee**Jinhee Lee (Interdepartmental Program in Applied Linguistics, 2019). *The organization of institutional interaction in a radio counseling call-in show*. Co-chair with John Heritage.Eleanor Glewwe (2019). *Bias in Phonotactic Learning: Experimental Studies of Phonotactic Implications*.Isabelle Lin (2019). *Functional Load, Perception, and the Learning of Phonological Alternations*. Co-chair with Megha Sundara.Jesse Zymet (2018). *Lexical propensities in phonology: corpus and experimental evidence, grammar, and learning*.
