

Note: This system is intended to function as a Zoom Workplace device. Kindly adhere to the following guidelines to successfully complete the setup process.

- 1. Power on TV using the LG remote.**
- 2. Verify both wireless keyboard and mouse are connected using **channel 2****

π

- 3. For audio, please power on the Jabra Wireless Speaker labeled TV (Speaker and microphone will automatically connect to system).**
- 4. Open Zoom Application, click Zoom Workplace on the top left side of the screen, and select Settings.**
- 5. On the left-hand side of Settings, click [Video & Effects], and verify PTZ Pro 2 camera is selected.**
- 6. On the left-hand side of Settings, click [Audio], and verify LG TV RVU is selected as the Speaker, and Jabra Link 370 as the Microphone.**
- 7. The system has been prepared and is now ready to host a Zoom meeting.**

If you would like to transfer or display media files, connect a flash drive to the USB hub located beneath the television. If your media device is not recognized, please ensure that the device is formatted using a file system compatible with macOS.
